SKIN RESURFACING

*HydraFacial* MD®  
Detoxify | Rejuvenate | Protect™

Center for Dermatology is happy to introduce to  
our office the "Hydrafacial"

The Hydrafacial is:

- A luxurious and pampering facial rejuvenation treatment with immediate results
- The latest technology in facial cleansing and exfoliation to produce healthier and smoother skin
- Great for anti-aging, acne-prone or oily skin or those who just want a refreshing glow

The process for one easy session is as follows:

- Cleansing and exfoliation of dead skin cells to allow for new, healthy skin
- Gentle acid peel extracts dirt and debris from pores in your skin
- Extraction- painless cleaning of pores
- Hydration and protection- The skin is hydrated and antioxidant serums with vitamins and minerals are added to help protect your skin
